

How do I create an account?

Contributed by admin
Thursday, 27 December 2007

If the new site is confusing, I have created a few tutorials to help you get started. 1. From the homepage, click on the Register link on the left: 2. Fill out the new user form. Be sure to use a valid email address. 3. You will receive an email with a confirmation link. Click on the link to verify your account. 4. You can now login with your new account.
